Borrowing Capacity Report

An indicative summary of what you may be able to borrow and buy.

PREPARED FOR

Jordan & Sam Taylor

DATE

29 June 2026

BUYER TYPE

First-home buyer

PREPARED BY

Manifest Real Estate

INDICATIVE BORROWING POWER

\$706,729

Up to **\$821,052** purchase price with your savings · about **\$1,780/mo** surplus after repayments.

Your details

Combined gross income (yearly)	\$160,000
Living expenses (monthly)	\$3,500
Other debt repayments (monthly)	\$400
Savings for deposit + costs	\$130,000
Target purchase price	\$650,000
Interest rate	6.20%
Assessment rate (incl. buffer)	9.20%

At a \$650,000 purchase

Deposit (savings after costs)	\$114,323
Loan required	\$535,677
Loan-to-value ratio (LVR)	82.4%
Lenders mortgage insurance (est.)	\$3,214
Stamp duty (SRO Victoria)	\$11,357
Upfront costs (duty + fees)	\$15,677
Estimated repayment	\$3,301/mo

- ◆ On these numbers, this purchase looks within reach — your income services the loan and your savings cover the deposit and upfront costs. At 82.4% LVR you'd pay lenders mortgage insurance; a deposit of \$130,000 (20%) would avoid it.

Your next steps

- 01 **Confirm your borrowing power** with a lender or broker on our panel and secure a pre-approval.
- 02 **Lock your budget** using this report, then start inspecting in your target suburbs.
- 03 **Talk to your Manifest representative** to line up the right finance, due diligence and strategy.

Important: This report is an **indicative estimate only**, prepared from the figures you provided. Borrowing power, lenders mortgage insurance and repayments vary by lender — every lender assesses income, expenses and serviceability differently, and this is **not a loan offer or financial advice**. Stamp duty is calculated from the current State Revenue Office Victoria land-transfer-duty schedule. Please speak to a licensed mortgage broker and your conveyancer or solicitor before committing.
