WHAT WE BASED THIS ON

Gross annual income	\$148,000
Living expenses	\$3,400 / month
Other debt repayments	\$550 / month
Savings available	\$135,000
Interest rate	6.2%
Buyer type	First home buyer

Borrowing power, LMI and repayments are indicative only. Every lender assesses income, expenses and serviceability differently, and this is not a loan offer, a pre-approval, or financial advice. Stamp duty follows the current SRO Victoria schedule. Serviceability is tested at your rate plus the 3% APRA buffer. Speak to a licensed mortgage broker before committing.
